Joe,

Please make the corrections identified on the attached comment resolution table, revise the date of the file, and submit the WORD and pdf files as final. Also, provide a separate signature page with Chris Capozzi's signature and date. We will follow up to get the EPA signatures.

This document must be signed by all before the end of the May.

If you have any questions, please give me a call.

Thank you,
Beverly

Beverly,

As we discussed yesterday:

- (1) There is still language that has been striked-through that needs to be removed
- (2) In comment 5 (Section 7.2), add "and approved by the RSO" after "contractor team"
- (3) To avoid confusion, add "anticipated" to the title in Appendix A and the TOCs. (This language is included in the text under section 1.3, but we want to assure that we avoid any confusion between the SAP and the Work Plans).

Thank you!

Alex

Subject: Las Vegas Consolidated Documents - SAP - final submittal

Ed and Alex,

This morning the attached documents were submitted for the final Consolidated SAP. The documents are posted on the team site at this link,

https://usepa.sharepoint.com/sites/ORD_Work/LVconsolidation/SitePages/HOME.aspx?RootFolder=%2Fsites%2FORD%2FWork%2FVLVconsolidation%2FShared%20Documents%2F00%20%2D%202017%2D05%2D18%20Consolidated%20SAP%20Final&FolderCTID=0x0120002862CFA0725B7E4CBCC090C15C128F66&View=%7BD8028B3E%2D37A7%2D4840%2D8C5E%2D829BBC5141D9%7D#InplviewHash8725d19c-0c52-4328-bd9f-f2ae876a9e27=

I have checked the document for inclusion of comments that were provided from the review of the draft document. I see several items that still need to be addressed:

1. On pdf page 1/107, Section 1.0, first paragraph the Sunrise Warehouse address should be changed from 3211 to 3201.
2. On pdf page 4/107, Section 2.0, first paragraph the Sunrise Warehouse address should be changed from 3211 to 3201.
3. On pdf page 43/104, the page is blank with no text indicating that the page is intentionally left blank.
4. Throughout the document there are multiple pages where there are only a few lines of text on the page.
5. Strikethroughs are not allowed in final documents. These areas should say reserved. The formatting is correctly done on page iv. The following items should be corrected:
 - a. pdf page v
 - b. pdf pages 35 and 36
6. There is a strikethrough on pdf page 18/107, in the paragraph above Table 5. Check the remainder of the document for strikethroughs and correct accordingly.
7. Check the document for pages where there are only a few lines of text on one page.

Alex, Ed, and Christine: By **COB Wednesday, May 24th**, please confirm that your comments have been correctly incorporated. Once I have received your confirmation the document will be finalized for signature. This document must be signed before the scheduled onsite work can begin on June 5th.

Thank you,
Beverly
